GENERAL STUDIES

Subject Code: 503

Grade XII 2026-27

INTRODUCTION

General Studies is a multi-disciplinary approach with the content from different fields of studies. The aim of teaching General Studies to secondary school students is to provide a comprehensive education that equips them with the knowledge and skills they need to succeed in all aspects of their lives.

LEARNING OBJECTIVES

The Learning objectives of teaching General Studies are as follows:

- **To develop critical thinking skills:** General Studies aims to teach students how to analyse, evaluate and interpret information in a systematic manner.
- **To foster social and cultural awareness:** The subject helps students develop pride in the rich cultural heritage as well as in the multipronged achievements of the country in various fields such as politics, agriculture, Science and technology, education and industry.
- **To promote civic responsibility:** General Studies teaches students about their rights and responsibilities as citizens and encourages them to participate in their communities.
- **To enhance problem-solving skills:** The subject provides students with opportunities to apply their knowledge to real-world situations and to develop their problem-solving skills.
- **To develop communication skills:** General Studies helps students develop their verbal and written communication skills, enabling them to effectively express their ideas and opinions, be conversant with contemporary socio-economic problems of the country like illiteracy, poverty, social disharmony, sex or caste discrimination etc.
- **To encourage independent learning:** The subject promotes self-directed learning and encourages students to take an active role in their own education.
- **To promote personal and social development:** General Studies helps students understand themselves and others better and develop the skills needed for positive relationships.
- **To prepare students for life-long learning:** The subject provides a foundation of knowledge and skills that students can build upon throughout their lives.
