Dear Parents,

We are pleased to share information about SCIFF 2026 – School Cinema International Film Festival, an international cinematic learning experience hosted in schools.

- SCIFF offers students an opportunity to WATCH – LEARN – MAKE through:

- WATCH: Students can experience carefully curated films from different countries, cultures and languages, selected according to age groups.

- LEARN: Students aged 10+ years can explore film-making through expert-led masterclasses covering storytelling, scriptwriting, cinematography, editing, animation and more.

- MAKE: Students aged 7–18 years can create and submit their own short films for the international filmmaking competition. Films may be fiction, documentary, animation, experimental or mixed media.

- **SCIFF Festival: 14 November – 5 December 2026**
- **MAKE Film Submission Deadline: 15 January 2027**
- **MAKE Entry Contribution: ₹1,000 per film**

Students may participate individually or in groups. A smartphone or tablet can be used for filmmaking; professional equipment is not required. The focus is on originality, storytelling and student voice.

We encourage interested parents and students to go through the attached brochure for detailed information regarding the different pathways, participation, eligibility and competition guidelines.

Kindly find the details in the link below:
