Eggless Wheat Brownies

Ingredients

- $\frac{3}{4}$ cup wheat flour
- 1 cup jaggery
- $\frac{1}{4}$ teaspoon salt
- 2 teaspoons baking powder
- $\frac{1}{3}$ cup unsweetened cocoa powder
- 1 stick or $\frac{1}{2}$ cup unsalted butter, melted and cooled
- 2 tablespoons condensed milk
- 1 $\frac{1}{2}$ teaspoons pure vanilla extract
- $\frac{1}{2}$ cup chocolate chips (optional)
- $\frac{1}{2}$ cup walnuts, chopped (optional)

Instructions

1. Preheat the oven to 350°F (180°C).
2. Melt the butter in a microwave or on the stovetop and let it cool while preparing the other ingredients.

3. Lightly butter or spray an 8×8 inch baking pan and line it with parchment paper, leaving extra paper on the sides for easy lifting. Grease the parchment paper as well.
4. In a bowl, add flour, jaggery, salt, and baking powder. Sift in the cocoa powder to remove lumps and whisk everything together.
5. In another bowl, whisk together melted butter, condensed milk, and vanilla extract until smooth.
6. Add the dry flour mixture to the wet ingredients and whisk until the batter comes together.
7. Fold in chocolate chips and walnuts if using.
8. Pour the brownie batter into the prepared pan and spread evenly.
9. Bake for 35–40 minutes or until a toothpick inserted in the center comes out clean.
10. Let the brownies cool in the pan for 10–15 minutes.
11. Lift using the parchment paper and transfer to a cooling rack.
12. Cut into 16 pieces or as desired and enjoy your delicious eggless brownies.
